

Thank you so much for being an amazing and excellent teacher. What I most admire in you is your work ethic. You work really hard and you're someone that people can look up to as a role model, because you're not only a great teacher but you're also a great human being. You have helped me so much with my writing and I thank you for that. Your classes are fun and I really enjoyed being part of it.

Heroes come and go, but legends stay forever.
